

Wonder
by R.J. Palacio

A **precept** is a rule to live by; it is meant to guide people's behaviors and thoughts. Mr. Browne's precepts play an important part in Wonder. In addition to his precepts, Auggie and his classmates offer some of their own precepts over the summer. Below, list 3 precepts FROM THE BOOK that are most meaningful to you. Then, choose one of those three selected quotes to explain in more detail and to illustrate. Finally, on page 4, complete the character chart for August, Summer, and Jack Will. Please take your time with this assignment and write neatly. Your work must be complete and meaningful. You will receive a grade—for completion and accuracy—upon returning to school.

In your own words, explain the meaning of your selected precept:

Give TWO examples of how you might apply your selected precept to your life (in school, at home, and/or in your community).

On a separate sheet of paper, illustrate your selected precept. Your illustration should include the precept itself and a picture representation of what the quote looks like to you. You may use words on your poster in order to fully express the meaning of the precept. Below is an example that is meant to serve only as an example. (Please do not copy the example.)
