5. Select the child whom you want to order.
6. Click on **Click to Select**.
7. In the dialog that will open, select the option **Next week menu**.
8. Click on **Add to cart**.

The screenshot displays the Tangerine Schools app interface. At the top, the logo "Tangerine Schools" is visible on the left, and the user's name "John Doe" with a "Logout" button is on the right. A purple navigation bar at the top left contains a back arrow and the word "Menu". Below this, a sidebar for "Thomas Doe" (indicated by a profile icon and a red circle with the number 5) shows a "Current Balance: \$123.50", a "Meal:" dropdown set to "Lunch", and a "Go to Checkout" button. The main area features a calendar for "August 2020" with days of the week as columns and dates as rows. A red circle with the number 6 is positioned over a purple button labeled "Click to Select" and "Added to Cart" on the 28th of August. An "Export to PDF" button is located in the top right corner of the calendar area. A modal dialog box is open in the bottom right corner, titled "Choose one option", with a red circle with the number 7 next to it. It contains a radio button option for "Next week menu". At the bottom of the dialog are two buttons: "Cancel" (red) and "Add to cart" (blue), with a red circle with the number 8 next to the "Add to cart" button. The footer of the app shows a phone icon, the number "1 877 315 0507", an email icon, and the address "support@tangerineschools.com".
