Dear Students,

Please use the attached chart to help you remember to daven each day. Check off the days you daven and remember to add Hallel on Rosh Chodesh.

Please practice your reading by reading the Tehillim on page 284-287 in your Siddur and/or Shir Hamaloot chapters on pages 286-290. Please mark on the attached calendar what days you practiced reading. Shir Hamaloot can be found in any siddur in Mincha of Shabbat.

I have also assigned the attached Lehavin U'lehaskil review packet to be completed.

Enjoy your summer vacation.

Sincerely,

Mrs. Elana Szafranski
